

## **DENTAL HANDPIECES**

The USAMMA has re-established the Dental Handpiece-Rebuild Program at the Medical Maintenance Operations Division (MMOD), Tobyhanna, PA. We currently maintain the following models:

- Mid West, XGT
- Mid West, Shorty 1 and 2 Speed (Slow Speed)
- Mid West, Tradition (High Speed)
- Mid West, 8000 I
- Mid West, Propy Angle
- Mid West, Shorty Nose Cone (Fits on Shorty 2 Speed)
- Mid West, Quiet Air
- Star, 430
- Star, Titan /Scaler
- Impact Air 45
- Lares 557-757
- Kavo 635
- Kavo 642

These handpieces were selected due to their high-densities and based on the current capabilities within the MMOD, Tobyhanna. If you would like us to consider other models, please contact us at Commercial 570-895-7744 or DSN 795-7744.
